COVID Precautions

In light of the current situation with Covid and in consultations with the facility provider the following precautions are in place for this meet:

- Everyone attending the meet is encouraged to take a Lateral Flow Test within 48 hours ahead of the meet and if positive please stay away.
- Anyone showing symptoms of Covid is required to stay away.
- There will be sanitising stations around the building for use
- Wearing of face masks is not compulsory but we would encourage the use of them.
- Please maintain social distance when queuing.
- Please keep 2 meters away from Leisurezone staff.
- Public seating in the cafe may be used but please maintain social distancing or same household/bubble.
- We will not be using competitor clothes boxes during the meet.
- EVERYONE is encouraged to bring a supply of drinks for poolside to minimize the need for volunteers to refill during the gala.

We want this meet to be a great experience for everyone. If we all co-operate we can have fun and keep everyone safe.
